## **An Important Message from the**

## **Cliffside Park Child Study Team**

Some children are born with or develop conditions that delay normal growth. Professional guidance and free special education programs are available to assist all children.

**They are:**

- \* For special children ages 3 to 21 years old**
- \* Free (regardless of income)**
- \* Staffed by caring professionals**
- \* Geared to help meet each child's needs**
- \* Designed to involve the family**

**Don't wait -**

**Call the Cliffside Park Child Study Team today!**

**For more information, please call (201) 313-2320**
